INTERNSHIP

MPOnline Limited — *Digital Marketing Intern (Remote)* May 2025 – July 2025

- Worked on base digital marketing tasks including creating ads, running campaigns, and improving online engagement using socialmedia.
- Assisted in keyword research and monitored campaign performance to improve reach and visibility.
- Developed a base digital marketing strategy covering market research, competitor analysis, content planning, and paid adcampaign planning.

EXPERIENCE

T-Hub, T-Works, L&T; Metro, BSNL — *Industrial Trainee* 2025

- Completed structured industrial training across 4 organizations, gaining exposure to startup incubation, prototyping labs,infrastructure operations, and telecom network systems.
- Analyzed operational and technical workflows across teams and translated findings into structured functional summaries forinternal review.

Hamari Pehchan NGO — *Social Media Marketing Volunteer* 2025

- Designed social media creatives and digital content that supported outreach initiatives and increased campaign visibility.
- Supported crowdfunding efforts and prepared key documentation for a social entrepreneurship project, reporting directly to theorganization President.

PROJECTS

Superstore Sales & Profitability Dashboard | *Microsoft Excel, Power BI, DAX* | *2025*

- **Problem:** Retail management lacked centralized visibility into regional sales performance, profit margins, and shipping trends.
- **Outcome:** Built an interactive Power BI dashboard tracking KPIs, category-wise revenue, and monthly profit trends using Excel datasets.

E-Commerce Customer Behavior & SQL Analysis | *SQL, Python, PostgreSQL* | *2025*

- **Problem:** Online marketplace needed insights into high-value customer purchasing patterns and product category performance.
- **Outcome:** Wrote complex SQL queries and joins to analyze customer retention, top-selling products, and revenue segmentation.

CERTIFICATIONS & ACHIEVEMENTS

- **MPOnline Limited Digital Marketing Internship:** Learned basics of digital marketing including creating ads, running campaigns, and social media marketing.
- **NPTEL Marketing Analytics:** Scored 97%, marked in the top 5% nationwide.
